VISION: SCIENCE TO APPLICATIONS (VISTA)

NOMINATION FOR AFFILIATE MEMBERSHIP

Guidelines for Nomination

To nominate a faculty member external to York University for an Affiliate Membership with VISTA, please ensure the nominees meet the following criteria:

- Currently undertaking active research in a vision-related area that meets a high level of excellence and aligns with the VISTA mandate.
  - VISTA’s mandate is to advance vision science through computational and biological research perspectives, and to produce applications that generate positive health, societal, technological and economic impacts for Canada and the world.
- The nomination is supported by a current VISTA Core Member.
- The nominee demonstrates a history of, or a current strong interest in collaborating with VISTA Core Members and/or VISTA Associate Members.
- The nominee must be willing to submit reports as needed to meet our CFREF requirements.

If the nominee meets these criteria, please submit the following to applyvista@yorku.ca by the application deadline:

1. Curriculum Vitae (most recent 5 years of activity)
2. One page letter of interest from the nominee
   Please include the following in your letter:
   i. Nominee name, title, department, institution, email address;
   ii. VISTA Member Supporting/Nominating the nomination;
   iii. Briefly describe your research and how it aligns with the VISTA mandate;
   iv. Describe any previous, ongoing or planned collaborations with current VISTA members, current or potential VISTA academic, public sector or private sector partners.
3. Letter of support/nomination from one VISTA Core Member
4. Voluntary self-identification survey from nominee
